Appendix A: Details of proposed polling district, polling place and polling station amendments

Polling Districts

To accommodate the boundary changes required by the Community Governance Review, the following changes to polling districts are required:

Malinslee & Dawley Bank Borough Ward

The changes to polling districts that impact on this borough ward are, where a polling district is not mentioned it is unchanged.

Existing polling district(s)	Borough ward	Parish 2027 (parish ward)	Description of change	New polling district code & polling place	Estimated total electorate
TME	Malinslee & Dawley Bank	Great Dawley Town Council (Malinslee)	The existing boundary is extended along Dawley Green Way to the Old Park Roundabout before running along West Centre Way until parallel with Thomas Telford School.	TMDA Old Park Primary School & Children's Centre – Sports Hall, Brunel Road.	2,631
TML	Malinslee & Dawley Bank	Great Dawley Town Council (Malinslee)	The existing boundary is extended north along Concorde and then down the centre of Milners Lane to Old Park Roundabout and then down Dawley Green Way.	TMDC Dawley Baptist Church, Bank Road,	792
TMH	Malinslee & Dawley Bank	Lawley & Overdale (Town Centre)	The existing boundary is moved such that it runs north along Concorde then down the centre of Milners Lane to the Old Park Roundabout before running along West Centre Way until parallel with Thomas Telford School.	TMDD Dawley Baptist Church, Bank Road	690

Oakengates & Ketley Bank Borough Ward

The changes to polling districts that impact on this borough ward are, where a polling district is not mentioned it is unchanged.

Existing polling district	Borough ward	Parish 2027 (ward)	Description of change	New polling district code & polling place	Estimated total electorate
TOB	Oakengates & Ketley Bank	Ketley Parish Council (Beveley)	The boundary of the polling district is moved such that all dwellings on Beveley Road and Ley Brook that are currently in TOB are moved into a new polling district together with dwellings that form part of the current TOO polling district. It is proposed that the revised TOB is merged with TOK as they are within the same parish or parish ward and use the same polling place and, as such, there is little practical benefit in retaining them as separate polling districts	TOAG Ketley Community Centre, Holyhead Road	1,052
TOO	Oakengates & Ketley Bank	Greater Oakengates Town Council (Oakengates & Ketley Bank)	The boundary of the polling district is moved such that a new polling district is created incorporating residential dwellings on Beveley Road, Ley Brook, Hill Top Road, Hartsbridge Road, Stallard Court and Hama Drive. This new polling district will serve the Oakengates & Ketley Bank borough ward and Greater Oakengates Town Council Oakengates & Ketley Bank parish ward.	TOAB The polling station for TOO will be Oakengates United Church, Stafford Road For the new polling district (TOAC), location of polling station to be confirmed.	2,176 262

It is proposed that the following polling districts are merged as they are within the same parish or parish ward and use the same polling place and, as such, there is little practical benefit in retaining them as separate polling districts.

Existing polling district	Borough ward	Parish 2027 (ward)	New polling district code & polling place	Estimated total electorate
WCA and WCB	Church Aston & Lilleshall	Church & Chetwynd Aston Parish Council (Church Aston)	WCLB Church Aston Village Hall, Wallshead Way.	1,075
TDP and TDX	Dawley & Aqueduct	Great Dawley Town Council (Dawley)	TDAC Dawley Christian Centre, High Street.	1,716
TOH and TOW	Oakengates & Ketley Bank	Greater Oakengates Town Council (Wrockwardine Wood South)	TOAE Oakengates United Church, Stafford Road,	748
TLB and TLS	Lawley	Lawley & Overdale Parish Council (Lawley Common)	TLAA Horsehay Village Golf Club, Wellington Road	3,453
WNS and WNX	Newport South	Newport Town Council (Newport South)	WNSA Newport Bowling Club, Granville Avenue,	2,532

For TLB and TLS this will result in an electorate (excluding postal voters) greater than 2,250, which is the maximum number of electors that a station should have allocated to it. To address this, an additional polling station will be created in the polling place and the register split between the two polling stations.

Proposed Polling Place and Station Change

The review identified a number of polling places and stations where there were concerns about the suitability of the existing building. These are as follows:

Existing polling district	Borough ward	Parish 2027 (ward)	New polling district code & current polling place	Information
TOL	Oakengates & Ketley Bank	Hadley & Leegomery Parish Council (Trench Lock)	TOAF Wilsons Auctions	There is some concern about ease of access to this building. It is proposed that an alternative location is found.
TOT	Oakengates & Ketley Bank	Greater Oakengates Town Council (Oakengates & Ketley Bank)	TOAD Wilsons Auction	There is some concern about ease of access to this building. It is proposed that an alternative location is found.
WGE	Ercall	Wellington Town Council (Ercall)	WERA Red Lion Annex, Holyhead Road	There is some concern about ease of access to the Annex building. It is proposed that a portacabin is located on the Red Lion car park
TIR	Ironbridge Gorge	The Gorge Parish Council (Coalport & Jackfield)	TIGC Jackfield Community Centre	There is concern about ease of access to this building. It is proposed that an alternative location is found in Jackfield
TIB	Ironbridge Gorge	The Gorge Parish Council (Ironbridge Gorge)	TIGD The Toll House, Ironbridge	There is concern about ease of access to this building. It is proposed that a portacabin is located on the Station Road car park in Ironbridge.
TMB	Madeley & Sutton Hill	Madeley Town Council (Cuckoo Oak)l	TMSA Chillcot Gardens	This building is no longer available as polling place. It is proposed that an alternative location is found.

The review has identified a number of polling stations where the number of registered voters (excluding postal voters) was greater than 2,250 which is the maximum number of electors a station should have allocated to it. To address this, an additional polling station will be created in the polling place and the register split between the two polling stations.
