I said previously this is incomplete due to a data loss

so I have included reviews for the Fallowfield Public House accommodation which is adjacent to the service station to show random individuals opinion of what is occurring

Also, two emails sent to Asda customer service regarding incidents at the service station twitch no reply
written knowledge when was given

I also have been in contact with the anti-social behavior officer, Jonathan Phelps,

I have been in frequent contact with Jonathan Phelps and also the neighborhood police team various officers

I will send videos in separate emails . Regards, Leslie gosling
