Evening Paige,

Please find attached my written statement regarding objections to Asda Express.

Attached is also the template of the CPN(w) mentioned within the statements and emails from businesses on Hadley Park East impacted by the groups known to frequent.

If it were pertinent to the hearing, there is video footage available of some of the documented behaviour that could be presented.

Please let me know if more is needed and I will work on getting it sent over.

Many thanks

Jonathan Phelps
