Good afternoon,

Hope you are well.

The reason for the email today is regarding the anti-social behavior that happens outside our office in the evenings and into the night.

The address of the office is Severn Partnership Lambda House, Hadley Park East, Telford TF1 6QJ.

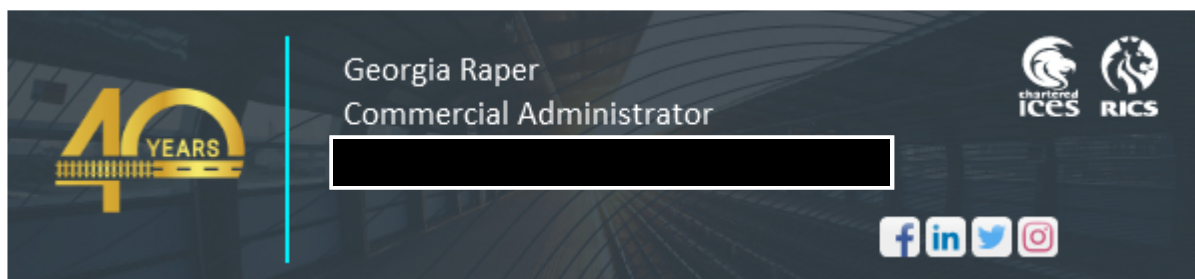

There a quite a few issues we are worried about regarding the gathering, the main issue being that we have our Surveyors coming in and out of the office at all hours of the day and this can be very intimidating for the guys as the people who are gathering are coming in very large groups and are racing down the short road that leads to the office car park. On this road, you will notice all the tire marks from the people gathering.

You will also notice on this road the amount of litter that is left by them, we have a lot of clients coming into the office and as you can imagine this does not look great.

We have CCTV footage of them taking our bench from behind our building.

We would appreciate it if this could get looked into and hopefully come to some sort of arrangement to stop this from happening.

Many thanks,
