Good Afternoon,

I have been asked my a local resident to get in contact with Mr Jonathan Phelps regarding the below.

I am emailing you about the issues we have been having in regards to car meets late at night in the Hadley Trade park TF1 6QJ

i have been the manager of the Howdens branch here for a year and the amount of litter and issues we had because of these meets was ridicules,

The amount of Litter, Nitros canisters and other rubbish left got out of hand and my self and screwfix had to go out first thing in the morning to clean it all up before we could begin trading,

I know we have had parking cameras set up by Euro Car parks this has reduced the amount of litter left but it hasn't stopped them using the car park to preform donuts and hand beak turn, leaving behind debris in the middle of the car park and sharp pieces of plastic.

Hope this finds you well

Many thanks

Nathan Parker: Depot Manager
