AGENDA

8. **Better Care Fund Plan 2019-20**

3 - 8

To receive a report on the Better Care Fund 2019-20 from Michael Bennett.

**BCF reporting dashboard
January 2020**

Appendix A

Monthly highlights

- Increase of 25% of FFAs continues from SATH and additional admission avoidance activity
- Cost pressure of additional beds continues due to increase in costs (market driven) increased Discharge Notifications through Fact Finding Assessments (FFAs) and step up admission avoidance
- S75 agreement draft documents near completion.
- Benchmarking summary included
- Q3 BCF Template was submitted in line with the deadline of 24th January

Activity against Benchmark (based on National Audit for Intermediate Care 2018)

Benchmark area	Benchmark	Current (Projected)	RAG	Comments
Workforce (therapists)	12.2 wte	5 wte (tbc)		Therapists in place Also supporting Health and Social Care Rapid Response Team (HSCRRT) admission avoidance assessments
Investment	£5.2m	£2,784		Budget pressures continue due to use of beds. Pathway 1:2:3 ratio currently 62:25:13 including Pathway Zero from 59:26:15 baseline
Referrals	3525	3435		25% increase in FFAs against last year consistently Last 5 weeks ave 41 FFAs a week. Same time last year was 28 FFAs a week Rapid Response overall increase of 15% in last 4 weeks
Beds	41	53		Recent increase in bed usage due to increase FFAs with similar ratio and increase admission avoidance (AA) step ups. Ave last year of 4. This year 8 beds used. Last week was 11 in beds Ave Q3 beds last year was 38 beds; this year is 47 including AA
Waiting times	5.6 days	3 days		Waiting times monitored within weekly Bed meetings. Rapid Response 95% achieve two hours response
Length of Stay	31 days	23 days		Performance tracked through weekly report to the CCG. Q3 average last year was 24 days
Outcomes (home post Enablement)	66%	70%		Based on snapshot audits and case reviews

BCF programme update

Programme	RAG	Progress and further actions
TWIPP	Green	Detailed programme in place and Governance arrangements, reporting and Communication plan in place Summary (Christmas Newsletter) attached  TWIPP Newsletter - Christmas 2019 FINAL

Grand Total: £23,672,912		

High Impact Changes

Impact change	RAG rating April 2019	Further Actions	Target RAG April 2020
Early discharge planning	Established	Further work to embed processes including EDDs in place within 48 hours Early planning for elective care discharges Frailty plans to support early discharge Embed Pathway Zero across all areas as facilitation of early discharge	Established
Systems to monitor patient flow	Established	Embedded End PJ Paralysis, Criteria Led Discharge on all wards Stranded Patient Reviews impact on both sites enhanced and maintained Continue to manage surges in FFA and Pathway 2/3 surges System-wide demand and capacity management plan refreshed	Mature
Multi-disciplinary/ multi agency discharge teams including voluntary and community sector	Mature	Further development of MDT working within the acute hospital Further development of Frailty Front Door	Mature
Home First/Discharge to Assess	Mature	Consistent desired ratio splits of 80% P1, 15% P2, 5% (Currently improved to 65: XX:XX) Further facilitation to early discharge for care home admissions Ensure sufficient P1 capacity Embed Pathway Zero	Mature
Seven day service	Established	Further improve systems and processes in place to ensure target discharge numbers over 7 days	Established

		Workforce development for 7 day working	
Trusted assessors	Mature	Daily MDT IDTs in place IDTs involved in Check Chase Challenge, targeted In-reach and Strand Patient Reviews Independent Assessor in place	Mature
Focus on Choice	Established	Further embed Pathway Zero Further develop Criteria Led Discharge	Mature
Enhancing health in care homes	Established	Further development of Emergency Passport and Red Bag Scheme Further implementation of Enhanced Clinical Health in Care Homes proposals Support Frailty Collaborative EOL pilot in identified Care Home	Mature

Risks and mitigation

Risk identified	Mitigating actions
Integration of CCGs and ensuring planning and approach is maintained	Monthly BCF Board agreed from January 2020 Planning for 2020/21 programme to be considered in Monthly Board meetings including budget setting on specific lines.
Risk Sharing Agreement not signed off for 2019/20	Draft RSA sharing with CCG. Seeking agreement to ensure Section 75 Agreement signed.
Increased level of referrals to TICAT – increase of 25% against last year – impact on workforce	Review of TICAT team systems and processes
Increased level of referrals to TICAT – increase of 25% against last year – increased costs and forecasting for 2019/20 and 2020/21	Development of Pathway Zero and pilot of HSCRRT Weekly monitoring of performance Weekly BCF Board agreed to monitor performance Review of all budget lines before and within the December BCF Budget lines
Grants agreements for 2020/21 not agreed at this time	January Board highlighted need to clarify position in relation to Grants for 2020/21 Planning workshop to take place before February BCF Board meeting
Spot bed prices for nursing beds were 18% higher than forecast and 35% higher for residential. Contributed to cost pressure	Agree budget for beds based on demand and block purchase more beds to predict costs
