### 3. **Notice of Motion**

(a) Councillor Shaun Davies will propose the following Motion:-

This Council condemns the Health Secretary decision to allow Future Fit to progress. This will have a detrimental impact on residents of Telford and Wrekin and put lives at risk. The decision flies in the face of the evidence and common sense. The decision made by the Secretary of State is simply wrong. At this late stage we call on the government to halt Future Fit.

Such moves will mean that Telford will be one of the biggest Towns in the country without a full A&E. The closure of the Consultant led Women and Children Unit flies in the face of clinical evidence.

Telford and Wrekin Council has fought this process every step of the way and will continue to fight for the best interests of our residents. This should not be about politics: This Council expects our MPs to support the Council and use every parliamentary means to ensure our Consultant led Women and Children Unit is retained and our A&E is not downgraded.

The Motion will be seconded by Councillor Andy Burford.

### **FILMING, RECORDING & PHOTOGRAPHY**

The Council supports the principle of transparency and encourages filming, recording and taking photographs at its meetings that are open to the public. It also welcomes the use of social networking websites (such as Twitter and Facebook) and micro-blogging to communicate with people about what is happening, as it happens.

There is no requirement to notify the Council in advance, but it should be noted that the Chairman of the meeting will have absolute discretion to terminate or suspend any of these activities if, in their opinion, continuing to do so would prejudice proceedings at the meeting.
