DEBATE

12. **Notices of Motion**

12.1 **Councillor T L B Janke will propose the following Motion:-**

“Council resolves to:

- Ask the Chief Executive to write to the Secretary of State for Transport requesting that the Government’s response to the ‘Pavement Parking: Options for Change’ consultation now be published as promised over 3 months ago.
- Ask the relevant officer to conduct a survey amongst the elected members of this Council asking members to identify streets within their ward where nuisance pavement parking occurs.
- Ask the relevant Cabinet Member to bring to a future meeting of this Council a report with the findings of this survey and details of the enforcement action that this Council proposes to take, taking account of any new powers the Government promises to make available to local authorities in their published response to the consultation.”

The Motion will be seconded by Councillor W L Tomlinson.

12.2 **Councillor A McClements will propose the following Motion:-**

“This Council joins the growing opposition against phasing out of the £20 uplift in Universal Credit in September and calls on the Government for the uplift to remain in place permanently. This funding has been a life saver for many families during the pandemic, many of whom are in work or want to be in work. The Government’s plans to cut Universal Credit will hit the lowest paid hardest and hurt our economic recovery. Over six million families, which include 6,205 families in Telford & Wrekin, are set to lose £1,000 a year, with 16 of our 29 wards in Telford and Wrekin seeing an over 100% increase in claimants from March 2020, whilst out of work support has been left at its lowest level in decades.”

The Motion will be seconded by Councillor K Middleton.

12.3 **Councillor D Wright will propose the following Motion:-**

“This Council believes that local democracy should be at the heart of the planning system which includes the rights of communities to

object to individual planning applications.

The Government already exercise major control over local planning matters, often overturning locally made decisions on appeal. We are therefore concerned that these new proposals announced by the Government in the Queen's Speech aim to change both the current and strategic approach to the planning system.

This Council believes that the Government reforms will lead to a further loss of local control and will give local residents less opportunity to actively participate in and directly influence the planning process. The planning reforms will lead to remote, standardised and formula based decision making led from Whitehall and in that context this Council calls on the government to abandon its existing proposals and ensure that the principle of local decision making is restored to the whole planning process".

The Motion will be seconded by Councillor C F Smith.

12.4 Councillor E Callear will propose the following Motion:-

"This Council wishes to again put on record our heartfelt thanks and appreciation for all of our frontline key workers from doctors, nurses, the armed services, carers, teachers, police, council staff, including all our volunteers across Telford and Wrekin and so many, many more local heroes who have worked tirelessly on the frontline to care for all our residents during the pandemic. They have and continue to be truly inspirational and we have been humbled by the selflessness and dedication during these unprecedented and challenging times for our borough – thank you to each and every one of them! This Council also recognises the incredible achievement of our England Football team. Their leadership, determination, generosity and performance has brought our community together after one of the most difficult years our country has faced in peacetime."

The Motion will be seconded by Councillor G Offland.

12.5 Councillor N A Dugmore will propose the following Motion:-

"This Council supports retaining the name 'The Wrekin' following any review of the current Parliamentary constituency."

The Motion will be seconded by Councillor S Bentley.

FILMING, RECORDING & PHOTOGRAPHY

The Council supports the principle of transparency and encourages filming, recording and taking photographs at its meetings that are open to the public. It also welcomes the use of social networking websites (such as Twitter and Facebook) and micro-blogging to communicate with people about what is happening, as it happens.

There is no requirement to notify the Council in advance, but it should be noted that the Chairman of the meeting will have absolute discretion to terminate or suspend any of these activities if, in their opinion, continuing to do so would prejudice proceedings at the meeting.
