*There's a lot of training with Premier as well. Obviously before we could open, so we've got all the certificates". Mr PARIS later sent in training records dated **after** the date of the sale of the vape to the volunteer.*

15. Following the sale to a child of an age-restricted product in August 2024, further complaints were received that the premises continued to sell alcohol, cigarettes and vapes to children (a full breakdown of complaints received is outlined later in this report).
16. In October and November, officers from Telford Council's Night-Time Economy team visited the shop along with the Police to raise concerns about complaints received.
17. In late November 2024 the Police and an officer from Telford Council's Night-Time Economy team attended the address given for the Designated Premises Supervisor (Catherine CHILTON). The purpose of the visit was to raise concerns about a number of reported incidents associated with the shop. She was advised that Ms CHILTON had *"moved a few months ago and is now living in Wales with her partner"*. To date, she remains the DPS at the shop, no new application to replace her has been submitted.

Government guidance on the role of a DPS states:

"A designated premises supervisor (DPS) is the person who has day-to-day responsibility for the running of the business.

The person chosen to be designated premises supervisor (DPS) will act as primary contact for local government and the police. They must understand the social issues and potential problems associated with the sale of alcohol, and also have a good understanding of the business itself.

While they need not be on site at all times, they are expected to be involved enough with the business to be able to act as its representative, and they must be contactable at all times.

If the police or local government have any questions or concerns about the business, they will expect to be able to reach the designated supervisor."

<https://www.gov.uk/guidance/alcohol-licensing#designated-premises-supervisors>)

18. On 17th March 2025, Ivor PARIS pleaded guilty on behalf of Newport Premier Ltd. to the underage vape sale from August 2024. Telford Magistrates issued the maximum fine of £2,500, which was reduced to £1,666 for an early guilty plea. The business was also ordered to pay a victim surcharge of £660 and the full prosecution costs.

19. Summary:

- The business is less than 50m away from a busy grammar school.
- This business has had several advisory visits from officers from Telford & Wrekin Council – yet reports of underage sales of alcohol and other age-restricted products continue to be received, thereby strongly suggesting the business has not, and will not change the way it operates.
- This business has failed a test purchase for an age-restricted product (vape).
- The member of staff who sold to a 15-year-old had been left unsupervised after being employed for only 2 days and there was no evidence to show he had received any training at that point.
- This business does not appear to have an active or effective DPS.
- The current licence requires a 'Challenge 25' policy to be in operation. The only acceptable proof of age will be a passport, driving licence or PASS accredited ID card with a hologram. An incident and refusals log is required to be maintained and made available to the Police and authorised officers upon request. Staff are required to be alert to the possibility of secondary purchasing and will be vigilant at all times in order to prevent it.
- Since the business was interviewed regarding the underage sale, further reports of underage sales of alcohol continue to be received by Trading Standards.

20. Action Requested:

The current licence conditions should be robust enough to prevent the sale of alcohol to children – if they are followed. The issue is they are being ignored, seemingly wilfully. Given that the business has displayed conduct consistent with a total disregard for the licensing objectives, Telford & Wrekin Council Trading Standards seek a revocation of the alcohol licence.

Please provide as much information as possible to support the application (please read guidance note 3)

I have outlined below a list of complaints received by Telford Trading Standards, both directly and indirectly, concerning Newport Premier:

25th February 2025: A report received via police that:

Mother reports shop selling alcohol to underage persons. Her son, 17 years, has, for the third time, purchased a bottle of wine.

10th February 2025: Anonymous report received from member of the public:

Caller wanted to report trader for selling alcohol to underage children, caller wished to remain anonymous.

Caller says that trader has been selling alcohol to her son who is 16-years-old and he became unwell and became hospitalised.

Caller's son told caller that his friends who are also 16 buy alcohol from trader.

24th January 2025: Report received from member of the public:

Dear Trading Standards,

I would like to report the selling of alcohol and vapes to underage kids at the Premier shop located near Adam's Grammar school in Newport Shropshire. Please can you advise how best to report this?

Address:

Newport Premier

99A High St

Newport

TF10 7AY

5th December 2024: Report received from Newport Town Council:

During the Christmas Light Switch on in Newport on 22nd November 2024, it was reported that Newport Premier was selling alcohol to under aged young people. I also witnessed a number of young people leaving the premises and quickly concealing items within their coats.

I cannot say what the items were as I didn't see them but the behaviour was very suspicious. I believe that the police were also concerned about these premises and will also be reporting this to you. Please don't hesitate to contact me if you require any further information. I look forward to your response

26th November 2024: Email from PC Richard EDWARD (Newport Safer Neighbourhood Team):

This store was causing issues on the night of the light switch on. I confiscated and disposed of a nice bottle of rose from a kid. I couldn't confirm that he had purchased it in Premier, but he was stood right outside, words of advice given to Ivor and his Bobby (I think that was his name).

We had reports of kids running amok in the town, starting fights and having to be dragged away by friends. No offences reported or observed, but by far the worst light switch that I can recall.

Further reports from members of the public of kids coming out of Premier with alcohol, so we revisited and again gave strong words of advice. We positioned ourselves outside the store for the remainder of the evening and kids seemed to be very interested in if we would leave as we were clearly upsetting their plans.

I have since spoken to someone I know (16yrs old) and he said that's where all the kids in Newport go to purchase alcohol.

24th November 2024: Email from PCSO LISTON regarding the Christmas Lights switch on:

"... They specifically mentioned the Premier Store and the number of underaged young people drinking alcohol or seemingly drunk. They believe the alcohol had been sold to them by staff working at the Premier Store, in fact they had been told this by people that night. They also witnessed drunk and aggressive youths whilst going to their cars that night and said they had never experienced this in all the years the event had been running. School students have been seen buying Vapes and Alcohol from the store and are constantly hanging around outside. This is concerning for the

residents as this has only been an issue since the store opened.”

17th October 2024: Email from Social Worker in CATE Team

Hi all

A parent has raised with me today that

8th October 2024: Report received from Police:

The person named Ivor (or Ivory) and another employee who both work at The Premier Shop, High Street, Newport, Shropshire TF10 sells vapes, alcohol and other age restricted items to minors. The shop is near the Church. Ivor is around 20 years old, has a medium build and has dark hair.

7th August 2024:

Report that trader is selling vapes and alcohol to minors. Children come in school uniform and are served and trader does not ask for ID.

10th July 2024:

A complaint from a social worker that the business was openly selling vapes and alcohol (vodka) to 14 & 15-year-old children.

2nd July 2024:

A complaint from a father that his 14-year-old son and friends were able to buy vapes and tobacco at the premises and the child also stated that the seller said he would just pay a fine if he got caught, and that he'd recently been reported for selling

alcohol but would continue to sell vapes and tobacco.

CAUTION: This email originated from outside Telford & Wrekin Council's network. Do not click links or open attachments unless you are sure the content is safe.

I, PC 2705 Mellor, an appointed Licensing Officer with West Mercia Police, having delegated authority from the Chief Officer to exercise powers under the Licensing Act 2003, hereby give notice of support to a review application received by West Mercia Police on the 20th of March 2025 and submitted by Telford & Wrekin Council Trading Standards.

The police grounds to this review relate to the objectives of preventing crime and disorder.

Newport Premier Stores operates in accordance with its premises licence which contains the following conditions around the objective of prevention of crime and disorder.

- A CCTV system will be maintained in working order and operational during opening hours.
- All tapes will be retained for 30 days and made available to the Police upon request.
- Alcohol will be displayed in full view of the counter and high % abv products will be displayed behind the checkout counter.

On the 31st of January 2025 I, PC Mellor, visited the premises in company of Sgt Masters.
This visit was to ensure premises was complying with the conditions outlined above. I recorded the following breaches.

Staff were asked to provide access to the CCTV but could not do so. Police could not even ascertain what system was being used or its retention time due to staff not being able to use the system.

At the time of the visit, I also noticed and recorded that a number of high strength alcohol products, including Gin, Vodka and Whiskey where openly displayed in front of the counter in multiple, non-secured areas. This being in breach of the condition saying that they should be displayed behind the counter.

In addition to this, and whilst not a breach of any conditions, Police were concerned by a number of items the store had on sale such as small glass pipes similar to “crack pipes” as was as what appeared to be cannabis rolling kits.

Letters were sent to the DPS / PLH advising of these breaches and that police would revisit to ensure the issues had been rectified.

I then revisited on the 13th of March 2025 at 13:15 hours.

On this occasion the member of staff was able to use the CCTV and show me footage on an iPad.
It should be noted that the licensing conditions are now outdated as they make mention to a previous “tape” based system.

Despite it being previously raised, not much had changed regards the storage of alcohol. Spirits were still found on a shelf in front of the counter and left within easy reach. In addition to this I located a cupboard at the front of the store, opposite the counter, which contained Gin and Vodka. There was no lock on the cupboard, and it was easily accessible. Again, this is in breach of the licence conditions.

Police confirm they support this review and the actions of the council and support the objective of having the licence for the premises removed.

Kind regards,

Steve

Sent: 16 April 2025 16:22
To: Licensing Team
Cc: Singh, Amitabh
Subject: Premier, 99a Newport High Street - Review of the premises licence

Good afternoon,

On behalf of the Licencing Authority I have reviewed the application for the review of the premises licence for Premier, 99a High Street, Newport.

I fully support the application to revoke the premises licence due to the lack of proper management, breach of licensing conditions and DPS not on the premises or in control of the premises.

Routine Inspection was carried out on the 8th May 2024 as a result on 9th May 2024 a letter was sent to Premises Licence Holder (PLH) for breach of conditions and highlight the fact DPS does not have any management of the premises. The conditions that were not being complied with:-

1. The premises licence was not in store. The Licensing Act 2003 requires the licence, or a certified copy of the licence, to be kept on the premises.
2. The premises licence summary was not on display. The Licensing Act 2003 requires the premises licence summary to be prominently displayed at the premises.
3. There are no staff training records in relation to the sale of alcohol, this is a breach of the licence conditions.
4. There is no CCTV installed or in operation, this is a breach of the licence conditions.
5. There are no risk assessments in place concerning public safety, this is a breach of the licence conditions.
6. No A3 Statutory Notice was on display stating that it is illegal to sell tobacco products to anyone under the age of 18, as required by the Children and Young Persons (Protection from Tobacco) Act 1991.

In addition, during the inspection we did also discuss the role and responsibilities of the Designated Premises Supervisor (DPS). As explained, the DPS is the person who holds responsibility for authorising all sales of alcohol under the premises licence and therefore the DPS would ideally be someone who is in day to day management of the store. The Premises Licence Holder (you) has responsibility for naming the DPS. The premises licence currently lists Catherine Chilton as the DPS however during our discussion you seemed unaware of who Mrs Chilton is and confirmed she is not involved in the day to day running of the store. We would strongly recommend that you, as the Premises Licence Holder, appoint a suitable person as DPS

Re-visit was carried out on 14th August and as a result a letter was sent on 23rd August 2024 to PLH stating 3 of the above breaches were still outstanding.

1. There are no staff training records in relation to the sale of alcohol, this is a breach of the licence conditions.
 2. There is no CCTV installed or in operation, this is a breach of the licence conditions.
 3. There are no risk assessments in place concerning public safety, this is a breach of the licence conditions.
- Still no contact or evidence of the nominated DPS was involved in the premises and no application had been received to change the DPS

Another visit was carried out on 21st October and as a result a letter was sent to PLH on 24th October 2024 that there were still outstanding breaches of licensing conditions and PLH had altered the Premises Licence Summery by covering up the PLH’s address. This in an offence under the Licensing Act 2003.

On 20th November 2024 a joint visit with the police regarding alledged under aged sales, advice was given and told to operate “Challenge 25”.

On 25th February 2025 a complaint was received by a parent that her 17 year old son had been to Premises and was sold a bottle of wine.

Officers of the Licensing Authority are extremely concerned that Mr Paris does not have a solid understanding or regard for his premises licence conditions or the Licensing Act 2003 in general. Mr Paris seems unfamiliar with the level of responsibility he has in becoming a premises licence holder and the Licensing Authority has no confidence that Mr Paris is a responsible retailer. In addition, Officers of the Licensing Authority are concerned that the named DPS, Catherine Chilton, has no direct involvement with the premises or the management of the business, in fact on first inspection Mr Paris seemed completely unaware of who this person is.

For the above reasons, the Licensing Authority fully support the revocation of this licence.
