Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

- Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.

 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
4. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 5. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
 6. For example (but not exclusively), where the activity will occur on additional days during the summer months.
 7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 11. Please list here steps you will take to promote all four licensing objectives together.
 12. The application form must be signed.
 13. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

Dear Sirs

I have just found out about the attached application

I would like to strongly object to point 3 - the external permission to sell alcohol; show films and live/recorded music.

This is a residential area which is already adversely affected by karaoke (inside and outside the premises) and live music playing. We also have noise from patrons leaving the premises. I have personally witnessed brawls in the street from people leaving. The proposal would only make these occurrences worse for the residents in Court Street.

I live pretty much across the street and am kept awake by these events when they occur. You can hear the karaoke and music inside my house with the windows shut and I have, over the summer, had to turn off my own music off in my garden as the singing of live entertainment in the beer garden overrode my own choices. I have to get up very early for my job and between current events and the collection of the glass refuse, the impact is affecting my sleep and health.

The fact that neighbours are already upset and it's treated as a joke in marketing material doesn't make the new proposals any more palatable. Please see attached flyer from the summer.

I would be very grateful if you could take this objection seriously. I am very happy to talk this through.

Many thanks

Deb Norris

I wish to make a formal representation objecting to the proposed variation of the premises licence for The Barley Mow.

My objection relates specifically to two of the licensing objectives under the Licensing Act 2003: the prevention of public nuisance and the prevention of crime and disorder.

I have lived on Court Street for many years and am already regularly affected by noise associated with the premises. While we accept that we chose to live close to a public house and that some reasonable level of activity is to be expected, there has been a noticeable increase in noise from the outside areas of the premises. In particular, music played outside can already be clearly heard from our home. There is also regular disturbance from customers remaining in the beer garden and outside the premises late into the evening, and from customers leaving the premises. This includes shouting and rowdy behaviour and, on occasions, fighting in the street. The proposal to permit external live music, recorded music, films and the sale of alcohol until 11pm seven days a week therefore causes us considerable concern. These activities would take place much closer to surrounding residential properties than music played inside the building and, in my view, would be likely to increase the existing disturbance.

The impact is particularly significant at night when neighbouring residents are trying to sleep. We already experience interrupted sleep as a result of noise associated with the premises and are concerned that granting this variation would make the situation considerably worse.

I therefore ask the Licensing Authority to consider whether allowing these additional external activities is compatible with the licensing objectives of preventing public nuisance and crime and disorder.

I would ask that the external elements of the variation be refused. Alternatively, if the Authority is minded to grant them, I ask that robust conditions be considered to protect neighbouring residents, particularly regarding the hours of external music and entertainment, use of the beer garden, control of amplified music and management of customers leaving the premises.

Many thanks

Dear Sir/Madam

It has just come to my attention about the proposed changes at the Barley Mow Public House in Madeley. I have no problems with the internal and external changes, or the change to the Children's condition. However I do have some strong concerns over the application to allow films to be watched, live music and recorded music played up to 23.00 daily outside. I feel that this is excessive. I would have no problem with these being granted on perhaps a Friday or Saturday night, but not on a daily basis. I live at the bottom of Burnthall Lane which is behind the solicitors that is over the road from the Barley, and I feel that it would be intrusively noisy if it were able to be allowed for 7 days a week

Kind regards

Steve Harris

CAUTION: This email originated from outside Telford & Wrekin Council's network. Do not click links or open attachments unless you are sure the content is safe.

Good afternoon,

In respect of your application to vary your premises license for the BARLEY MOW, 16 COURT STREET, MADELEY, TF7 5EP, I hereby formally object on the grounds of insufficient conditions.

The current premises license is outdated, and the conditions are not fit for purpose, nor do they work for the business.

Under the Prevention of Crime and Disorder I respectfully request that the following conditions are added to ensure that the licensing objectives are upheld.

The BARLEY MOW is one of our Top 10 demand venues with a high demand on policing. There are often also calls around noise due to patrons hanging around the car park late at night so suggest further conditions are added to ensure compliance.

The suggested conditions are as follows:

Prevention of Crime and Disorder

1. Colour digital CCTV, with a picture quality capable of being used for evidence, will be installed to cover all internal areas of the premises to which the public have access (with the exception of the toilets), including point(s) of sale and all entrances/exits, and any external areas used for licensable activities or where outside seating is provided. The CCTV will always be operational when the premises is open to the public.
2. CCTV recordings will be retained for a minimum of 30 days and made available in a viewable format to any authorised authority on request. On request means at the time of the request, in a format which is viewable remotely and not dependent on the premises CCTV system.
3. When the premises is open to the public there will always be a member of staff on site who is trained in the operation of the CCTV system and is able to provide recordings in a viewable format to any authorised authority on request.
4. CCTV will be security protected and have a constant and accurate time and date stamp.
5. There will be signage in the premises, clearly visible to members of the public, which states that CCTV is in operation.

6. The Premises will have a zero tolerance to drugs policy; the Licence Holder shall display notices at the entrances to the premises advising attendees that the police will be informed if anyone is found in possession of controlled substances.
7. Drugs seized or found will be placed in a suitable locked receptacle kept for that purpose. Means for securing and unlocking the receptacle will be held by the Premises Licence Holder or a nominated responsible person. A record shall be made of the date and time of the seizure/ find, the person who made the seizure/ find and the person who secured the seized/found item(s). This record will be made available to any authorised authority on request.
8. The Premises Licence Holder shall make suitable arrangements with the police for the collection of any seized or found items as soon as possible after they are seized/found.
9. There will be a duty of care policy formulated towards persons who are refused admission or who are ejected from the premises. Duty of care policy will give details on how confrontation outside the venue will be minimised when more than one rival faction is ejected from the premises. This policy will be made available to any authorised authority on request.
10. The DPS will complete a dispersal policy and submit at commencement of the premises licence to West Mercia Police. This document will then be provided annually from that date. All staff will be trained in its implementation.
11. The Premises shall have a Policy around Spiking. Such Policy will ensure that appropriate training is provided to staff as well as *consideration* around providing anti-spiking bottle stoppers/protective drink covers. *Consideration* will also be given to the provision of drug/spiking test kits.
12. Incidents of crime and or disorder will be recorded digitally or written and reported to police as soon as practicable. Copies of these records will be provided to any authorised authority on request. The record will contain full details of persons reporting and any victims along with times and circumstances of the incident
13. At all times, the need for door staff shall be Risk Assessed by the Designated Premises Supervisor and employed when the Risk Assessment deems it necessary. These risk assessments must be in writing and will be recorded and kept for a period of 12 months and made available to any authorised authority on request.
14. When door staff are on duty, Challenge 25 will operate on the door and will be a condition of entry
15. When door staff are on duty a tour of the premises will be made to ensure no persons under the age of 18 are present
16. When door staff are on duty, a random search policy will be in place. Searches may utilise handheld metal detecting wands. The search *will be* a condition of entry.
17. All door supervisors to wear a high visibility vest of a colour that differentiates them from Police.
18. No Customers will be allowed to enter or leave the premises with open drinking vessels.

19. All persons authorised for the sale of Alcohol will be defined in a written document. This will detail who is authorised the sale of alcohol and evidence that the staff member has been trained in the law around the sale of alcohol. This document will be signed by both the staff member and the DPS. This document will be left on site and will be made available to the police, local authority or any other relevant authority seeking inspection or a copy.

If you can reply to this e mail to state that you are happy to accept these conditions, then I will consider withdrawing my objection.

Many Thanks

Kind Regards

Sharon

Subject: PE/2026/0632 - The Barley Mow Pub 16 Court Street Madeley

To whom it may concern,

Thank you for consulting us on this matter. After reviewing the planning history of the site, the LPA can confirm that we have no comment to make regarding the application to vary the premises license. The LPA does not hold an application for the initial erection of the building, and there are no relevant constraints on any subsequent applications.

It should be noted that there are no restrictions on hours of opening or ancillary use of pub to show film as long as the showing of films remains ancillary to the primary use as a pub.

If you have any queries, please do not hesitate to contact me.

Kind regards,

Subject: The Barley Mow, 16 Court Street, Madeley, Telford, TF7 5EB

Good morning,

On having looked at the application for the variation of the premises licence at the above named premises, I hereby formally object to the application due to insufficient conditions placed on the operating schedule. We have had noise complaints when music has been played outside, there are no conditions placed on the operating schedule or how the music outside is going to be managed on this application. There are a number of residential properties near the premises

Please consider adding the following condition to the application:-

The prevention of Public Nuisance Licensing Objective:-

- Hours of regulated entertainment in the outside area of the premises to cease at 22:00 hrs
- Regulated entertainment to be restricted to the maximum of 12 outdoor events per calendar year
- Noise from outdoor entertainment should not be inaudible within the nearest noise sensitive location.

Public Safety Licensing Objective:-

- No glass outside when you have events involving regulated entertainment in the outside area.

The Protection of Children from Harm Licensing Objective:-

- "Challenge 25" and shall be in operation and adhered to at all times. Notices will be displayed in a clear and prominent places. The acceptable forms of ID are up to date photo card driving licence, military ID, up to date passport or an up to date PASS accredited card bearing the PASS hologram.
- Training will be given to all staff on points of law relating to the sale of alcohol. A training record will be maintained at all times. The training record will include the date the training was given, the identity of the trainer, the identity of the employee, what training was covered and that it was understood. Training will be refreshed every six months and recorded on the training register. The training register will be made available to authorised officers on request.

Please reply to this email if you are going to agree to add above conditions to the application, I will consider withdrawing my objections.

Kind regards, Emma
