

## Agenda Item 9: Local Government Association Corporate Peer Review

“We invited the Local Government Association Peer Challenge Team to visit us in Telford & Wrekin and see how we operate as part of our commitment to delivering the best possible services for our residents.

“The review was a robust and challenging process and the team spoke to over 130 key people –people who work for the council, our partner organisations, local businesses and Government departments.

“Although no overall grade is given for these reviews, it has identified the council as a high performing organisation that is striving constantly to deliver for local people.

“To quote the report – “Telford and Wrekin fights for Telford and Wrekin”. We are ambitious, we are proud and this external validation of our efforts is really welcome.

“We will now take the feedback and recommendations in the report and continue to push forward with plans to protect, care and invest to create a better borough.”

Councillor Shaun Davies, Leader of the Council
