

Agenda Item 7: 2022/23 School Funding Formula

“Last year was the first year that we were able to fully apply the Department for Education's National Funding Formula, when funding for Telford and Wrekin's schools finally caught up with national rates following three years of transitional funding increases given to underfunded authorities.

“For 2022/23 we propose to include an increase in funding of 2% per pupil, the maximum allowable by government, bringing the total budget for school funding to £143 million.”

Councillor Shirley Reynolds, Cabinet Member for Children, Young People and Families
