

TELFORD & WREKIN COUNCIL - Pay Policy Statement – 2022/23

1. Introduction and Purpose

- 1.1 Under section 112 of the Local Government Act 1972, the Council has the “power to appoint officers on such reasonable terms and conditions as the authority thinks fit”. This Pay Policy Statement (the ‘Statement’) sets out the Council’s approach to pay policy in accordance with the requirements of section 38 of the Localism Act 2011.
- 1.2 The purpose of this Statement is to provide transparency about the Council’s approach to setting the pay of its employees (excluding those working in local authority schools and/or employed under the School Teachers’ Pay and Conditions Document and apprentices as they are employed under a Training Contract) by identifying:
- the methods by which salaries of all employees are determined;
 - the detail and level of remuneration of its most senior staff, i.e. ‘chief officers’, as defined by the relevant legislation; and
 - the Committee responsible for ensuring the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to the full Council.
- 1.3 This policy statement has been updated and is effective from 1st April 2022.

2. Legislative Framework

- 2.1 In determining the pay and remuneration of all of its employees, the Council will comply with all relevant employment legislation. This includes the Employment Rights Act 1996, the Equality Act 2010, the Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, the Agency Workers Regulations 2010, the Restriction of Public Sector Exit Payments Regulations 2020 and where relevant, the Transfer of Undertakings (Protection of Earnings) Regulations. With regard to the equal pay requirements contained within the Equality Act, the Council is taking steps to ensure there is no pay discrimination within its pay structures and that all pay differentials can be objectively justified through the use of equality-proofed job evaluation mechanisms which directly relate salaries to the requirements, demands and responsibilities of the role.

3. Pay Structure

- 3.1 Based on the application of the job evaluation process, the Council uses the Local Government Association nationally negotiated pay spines as the basis for its local grading structure. This determines the salaries of the large majority of the non school-based workforce, together with the use of other nationally-defined rates where relevant.
- 3.2 The Council adheres to national pay bargaining in respect of the national pay spines noted below and any annual cost of living increases negotiated in those pay spines:-

Joint National Council for Chief Executives
 Joint National Council for Chief Officers
 Joint Negotiating Committee for Youth & Community Workers
 National Joint Council for Local Government Services
 Soulbury Committee

- 3.3 All other pay-related allowances are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery and/or as determined by Council Policy. In determining its grading structure and setting remuneration levels for all posts, the Council takes account of the need to ensure value for money in respect of the use of public expenditure, balanced against the need to recruit and retain employees who are able to meet the requirements of providing high quality services to the community, delivered effectively and efficiently and at times at which those services are required.
- 3.4 New appointments will normally be made at the minimum of the relevant grade; this can be varied in exceptional circumstances, having regard to the need for equal pay. From time to time it may be necessary to take account of the external pay market in order to attract and retain employees with particular experience, skills and capacity. Where necessary, the Council will ensure the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using appropriate data sources available from within and outside the local government sector.
- 3.5 The Council pays a minimum of the 'Real Living Wage' of £9.90 per hour to employees. (This does not include those on apprenticeships who are employed under a training contract).

5. Recruitment of Chief Officers

- 5.1 The Council's policy and procedures with regard to recruitment of chief officers is set out within the Officer Employment Procedure Rules in Part 3 of the Constitution. When recruiting to all posts the Council will take full and proper account of its Equal Opportunities Charter and the Recruitment and Redeployment Policies. The determination of the remuneration to be offered to any newly appointed chief officer will be in accordance with the pay structure and relevant policies in place at the time of recruitment. Where the Council is unable to recruit to a post at the designated grade, it will consider the use of temporary market forces supplements in accordance with its relevant policies. No market factors are currently payable to chief officers.
- 5.2 Where the Council remains unable to recruit chief officers under a contract of employment, or there is a need for interim support to provide cover for a vacant substantive chief officer post, the Council will, where necessary, consider and engage individuals under 'contracts for service'. These will be sourced through a relevant procurement process ensuring the Council is able to demonstrate the maximum value for money benefits from competition in securing the relevant service. The Council does not currently have any chief officers engaged under such arrangements.

6. Additions to Salary of Chief Officers

- 6.1 The Council does not apply any bonuses to chief officers.
- 6.2 In addition to the basic salary set out, the Council may pay other elements of 'additional pay' which are chargeable to UK Income Tax and do not solely constitute reimbursement of expenses incurred in the fulfillment of duties which could include:
- responsibility allowances/salary supplements for fulfilling statutory officer duties and salary supplements,
 - market forces supplements,
 - additional payments for undertaking other responsibilities.

This list is not exhaustive.

Authority for any 'additional pay' for Executive Directors and Directors is delegated to the Head of Paid Service after consultation with the Leader of the Council. The Council does not currently pay any additional responsibility allowances, salary supplements or market forces supplements to senior management. All mileage is reimbursed at HMRC rates.

7. Payments on Termination

- 7.1 The Council's approach to statutory and discretionary payments on termination of employment of chief officers, prior to reaching normal retirement age complies with the Restriction of Public Sector Exit Payments Regulations 2020 and the relevant Local Government Pension Scheme Regulations.
- 7.2 Any other payments falling outside the provisions or the relevant periods of contractual notice shall, in respect of the Head of Paid Service, Executive Directors and Statutory Officers, be subject to a decision made by the Personnel Committee which has

otherwise delegated authority to the Head of Paid Service to approve such payments to other Chief Officers.

- 7.3 The Council's policy is not to re-employ, for a period of at least 12 months after their employment with Telford & Wrekin Council ends. This relates to anyone who has been made redundant or who has left the Council in the interest of the efficiency of service where a severance payment has been made in accordance with the Council's policy. The re-engagement of an individual on a consultancy, agency or private service provider basis is also prohibited in circumstances where this arrangement could have reasonably been foreseen at the time the individual left.
- 7.4 Flexible retirement under Regulation 30 of the Local Government Pension Scheme Regulations 2013 or Regulation 11 (2) of the Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014 will, in the majority of cases be permitted only where savings to fund the cost of such release are achieved. However in exceptional circumstances and in order to retain specialist or critical skills, flexible retirement may be approved to support a period of succession planning/training in which case savings may not be realised to fund the release.

8. Publication

- 8.1 This Pay Policy Statement is published on the Council's Website. In addition, for members of the Council's Senior Management Team and for those who report directly to the Head of Paid Service where the full time equivalent salary is at least £50,000, the Council's Annual Statement of Accounts will include a note setting out the total amount of:
- salary, fees or allowances paid to or receivable in the current and previous year;
 - any bonuses paid or receivable in the current and previous year (N.B. The Council does not operate a bonus system);
 - any sums payable by way of expenses allowance that are chargeable to UK income tax;
 - any compensation for loss of employment and any other payments connected with termination of employment;
 - employers pension contribution;
 - any benefits received that do not fall within the above.

- 8.3 Additional information relating to pay is published in accordance with the MHCLG Local Government Transparency Code 2015 and is available on the Council's website as part of its annual Workforce Information report.

9. Lowest Paid Employees and the Median salary

- 9.1 The lowest paid persons employed under a contract of employment with the Council are employed on full-time (37 hours per week) equivalent salaries in accordance with the minimum spinal column point currently in use within the Council's grading structure with the exception of employees who have transferred in to the Council's employment under the Transfer of Undertakings (Protection of Employment) Regulations 2016. As at 27 December 2021, this was £18,327 per annum. The Council employs Apprentices who are not included within the definition of 'lowest paid employees' as they are employed under a Training Contract.
- 9.2 The statutory guidance under the Localism Act 2011 recommends the use of pay multiples as a means of measuring the relationship between pay rates across the

workforce and that of senior managers, as included within the Hutton 'Review of Fair Pay in the Public Sector' (2010). The Hutton report was asked by Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organisation.

- 9.3 The pay levels within the Council as at 27 December 2021 define the multiple between the lowest paid (full time equivalent) employee and the Head of Paid Service as 1:8.7 and between the lowest paid employee and average Chief Officer as 1:5.7 The Council's pay multiples therefore fall well below Lord Hutton's public sector threshold set out in 9.2 above.
- 9.4 The full-time equivalent median (mid-point) pay level within the Council as at the 27 December 2021 is £23,541 per annum, (£12.20 per hour). The multiple between the Head of Paid Service and this median point is 1:6.8 and the average Chief Officer is 1:4.4.
- 9.5 As part of its overall and ongoing monitoring of alignment with external pay markets, both within and outside the sector, the Council will use available benchmark information as appropriate.

10. Accountability and Decision Making

- 10.1 In accordance with the Constitution of the Council, the Personnel Committee is responsible for decision-making in relation to the recruitment, pay, terms and conditions and severance arrangements for employees of the Council.
