

Annual Public Health Report

“The Coronavirus pandemic and the cost of living crisis are affecting the health and wellbeing of our poorest residents most.

“As a council, we are facilitating many programmes and initiatives so that people can lead happier, healthier, longer lives and our Healthy Lifestyle Advisors have supported over 2,000 people to improve their lifestyles in the last year.

“We will build upon this work to drive down inequalities, to care for and protect our residents.”

Protect, care and invest
to create a better borough

Councillor Kelly Middleton (Labour)

Cabinet Member for Leisure, Public Health and Well-Being, Equalities and Partnerships
