

Hackney Carriage Fare Tariffs

“As the licensing and regulatory authority, we will consult with residents on fares and charges for hackney carriages in the borough following a request for a rise in fares by taxi drivers. Fares and charges in the borough have not increased since 2011.

“As small businesses owners and with only 21 operating in the borough, Hackney taxi drivers are facing challenges with general rising operating costs including fuel, any subsequent decisions will need to strike a balance between supporting drivers to make a living and keeping fares and charges affordable for people who use them. We welcome people's views as part of the consultation.”
