

## Affordable Warmth Strategy – Action Plan Update

“Making sure our residents have somewhere warm and safe to live and protecting the most vulnerable members of our communities is of paramount importance to us.

“Through our affordable warmth strategy, we have already supported residents across the borough with a series of measures to make homes more energy efficient and to reduce energy costs.

“As a council on the side of our residents, we’ve directly supported around 4,000 households during these challenging times.”

Protect, care and invest  
to create a better borough
