1.0 Recommendations for decision/noting:

Full Council is asked to approve:

- 1.1 the formal resolutions to determine the levels of Council Tax for 2023/24.

2.0 Purpose of Report

- 2.1 Council Tax levels must be approved by Full Council. This report sets out the formal resolutions to determine the levels of Council Tax for Telford & Wrekin Council for 2023/24. The levels of tax take account of the requirements of Telford & Wrekin Council, the West Mercia Police & Crime Commissioner, Shropshire and Wrekin Fire Authority, and the various Parish and Town Councils.

3.0 Background

- 3.1 The Council Tax Base was approved at Full Council on 19 January 2023. The Council's Medium Term Financial Strategy, including the budget for 2023/24, was agreed earlier at this meeting.

- 3.2 The budget is made up of a General Fund element and a much smaller Special Fund element. Both of these elements will be frozen for 2023/24. The Special Fund is required to ring fence costs that apply to areas that were previously unparished and where the Council still provides some additional services which otherwise would normally be provided by Town and Parish Councils. These services mainly relate to footway lighting and/or cemeteries.
- 3.3 The proposals set out in this report represent a 2% increase on the average Council Tax levied by Telford & Wrekin Council across the Borough as a whole which is significantly lower than the increase assumed by the Government when the funding settlement for 2023/24 was announced.
- 3.4 This increase relates wholly to the Adult Social Care Precept, which was introduced by the Government in 2016/17, which is equivalent to a 2% Council Tax increase in 2023/24, based on the prior year Telford & Wrekin elements of the council tax make-up (see table below) and must be ring-fenced to be spent on Adult Social Care Services. The 2% increase is assumed by the Government in their funding settlement to the Council for next year and is required to contribute £1.6m towards the £7.26m additional ongoing investment that the Council needs to make to support Adult Social Care services in 2023/24.
- 3.5 Council Tax levels are based on spending requirements and the council tax base (number of chargeable Band D equivalent dwellings). If the recommendations in this report are approved the Band D Council Tax would be:

Authority		Band D Council Tax £	Increase %
Telford & Wrekin	General Fund	1,247.21	
	Special Fund	10.90	
Telford & Wrekin	Total (excluding Adult Social Care Precept)	1,258.11	
Telford & Wrekin	Adult Social Care Precept	205.82	
Telford & Wrekin	Total (including Adult Social Care Precept)	1,463.93	2.00
West Mercia Police & Crime Commissioner		264.50	5.94
Shropshire and Wrekin Fire & Rescue Authority		111.16	4.60
Parish & Town Councils		96.01	0.57
Total Council Tax		1,935.60	2.60

- 3.6 The increases in overall council tax will vary dependent on parish area. Overall the total average bill has increased by 2.60% after including the increases by Police, Fire and the average increase applied by Parish and Town Councils. The average

increase in overall bills represents a range from 2.38% to 3.32% depending on variations in parish council spending and precepts.

3.7 While the total average Band D bill will be £1,935.60, the majority of properties in the area fall in Bands A and B – the average total bill for a Band A property is £1,290.40 and for a Band B property the average total bill is £1,505.47.
