

Progress on the council's Equality, Diversity and Inclusion Strategy and Action Plan

“This report updates the council on progress over the last twelve months against our four-year Equality, Diversity and Inclusion strategy and action plan. It shows that significant work has been carried out to deliver a range of actions and demonstrates the positive steps being taken across the organisation to achieve ED&I objectives and the overall vision.

“The report also recommends the council gives due regard and consideration to Armed Forces Personnel in the same way as the protected characteristics. This plays a part in our obligation to reduce, limit and remove disadvantage to armed forces personnel and their families through the Armed Forces Covenant Duty 2022, further strengthening our commitment an Armed Forces Covenant Gold employer.”
