Thank you for taking the time to make your suggestion.

9. Please set out your comments on the draft proposed town and parish council arrangements below. Please include the reasons for your views.

Eyton Parish is very small, but we do have a strong community spirit. Kymersley & Preston have much larger populations and are separated from Eyton by the unpopulated area of the Weald moors. Eyton's future problems are likely to come from the urban areas to the South/West, West side of Eyton, these potential problems are unlikely to be of concern to Kymersley or Preston yet they will have the power to override our concerns. Eyton being so small it is possible to know the views of the vast majority of the residents. At the age [REDACTED] it is not that important to me but I know they will remain independent.
