

## Reference the Telford & Wrekin Community Governance Review.

Telford & Wrekin Council has proposed to merge Ercall Magna Parish with Waters Upton Parish.

The members of the Boundary Review Committee stated that they would make their final decision based on the community opinion.

It is vitally important that you let Telford & Wrekin Council know your thoughts on this recommendation – they must receive this by 14<sup>th</sup> July 2025. Their decision will be final, there is no appeal process available to residents once their decision is made.

Please consider the size of the proposed Parish, the number of Councillors, the distance across the proposed Parish – then think about the Parish Assets, High Ercall Conservation Area, Administration and the bank balances – how will these be affected?

## YOUR VIEWS REALLY DO MATTER

So that the Parish Council can take your views into account, when it responds to the consultation, please can you indicate below:

I / We **SUPPORT** the recommendation to merge Ercall Magna and Waters Upton Parishes

Or I / ~~We~~ **OPPOSE** the above recommendation

Parish Councils should be run by local people  
for local people. An area that takes  
nearly 30 <sup>minutes</sup> to drive is NOT.....continue on the back if required.

These must be returned to the Parish Council at the drop in events on Tuesday 24<sup>th</sup> or Thursday 26<sup>th</sup> June between 6pm and 7pm
